

The Counselor's Note

A LETTER TO THE PARENTS AND GUARDIANS OF BRCS STUDENTS

What a crazy and wonderful time we are in! I would like to welcome each of you to the BRCS family. My name is Carolyn Kendall and it is my absolute privilege and pleasure to serve as the Counselor and Assistant Principal at Brazos River Charter School. I have served this wonderful school since 2012 and have enjoyed every minute. Having the ability to serve such wonderful students and parents brings much joy, purpose, and meaning to my life. I hope that our journey together is a one of great growth and fulfillment.

It is my goal to help your child achieve confidence and gain knowledge, not only academically, but emotionally and socially as well. Serving the "whole child" is something that is essential to my role as school counselor. What your child and I discuss is confidential unless they are speaking of self-harm, someone is harming them, or they intend on harming others. Helping your child feel comfortable and giving them a safe place to talk is essential to their wellbeing. I encourage you to speak openly with your child about school, their friends, society, and the world around us. My role is to guide your child in finding their own solutions to difficult situations. If I believe that your child needs services that are beyond my scope as a school counselor, I will provide you with a list of resources in the area.

If I can be of service to you, or if you have concerns or questions about your child's academic and/or emotional state, please do not hesitate to contact me. I love what I do and I love doing it at Brazos River Charter School. Together, let's make it a great year!!!

Mrs. Kendall
